

Student Performances

Instructors are encouraged to arrange for individual students and groups to provide public performances when they contribute to educational process objectives and when they do not interfere with other scheduled activities or classes within the school, as follows:

1. All performances involving students will be approved by the principal;
2. The extended use of one particular group will be discouraged;
3. Students participating in a performance will conduct themselves in accordance with [the student conduct code adopted by the district];
4. Performances that are scheduled outside school hours are preferred. Performances during school hours should be limited to the class period during which the activity is usually taught to that particular student or students.

Student groups may participate in district activities and with groups in the community upon the approval of the principal. Proceeds given students for participating or performing will be placed in student accounts.
